INTERNSHIP - STUDENT'S FINAL REPORT

NOTE: Please use this form as a cover sheet for your report

Intern's name and ID#

Name of company, agency, or organization

Submit a report of approximately 3 typed, double spaced pages. Suggestions of appropriate topics include but are not limited to the following:

- Briefly describe your principal responsibilities.
- Evaluate the internship itself.
- In what ways, if any, were your Economics courses relevant to the internship (or related)?
- Did your employer provide you with assistance and opportunities to help you grow professionally?
- Would you recommend this internship to other students? Why or why not?
- Do you have suggestions to improve this internship?
- Do you have suggestions to improve the intern program as a whole?
- What did you like the most about this internship? The least?

Student's signature and date

Return form *by the first day of exam week this semester* to:
